WHO WE ARE:

We have 25 years of managing global multimillion dollar Federal projects completed on budget and on-time include:

- **Naval Base Kitsap** \$240M industrial complex uniquely built below grade due to the specific tasks being performed to protect the personnel and surrounding community.
- **Naval Air Station Jacksonville - Naval Facilities Engineering Command Southeast** \$124M aircraft hangar supporting Naval Aviation Operations Project was uniquely developed using the design-build strategy requiring significant management and interaction with end user organizations, simultaneously managing the design - contractor team. The project was executed and completed on budget and delivered on-time.
- **Naval Air Station Sigonella - Sicily, Italy - Naval Facilities Engineering Command Europe** \$50M 4-building, 550 room apartment development in Sicily, Italy , providing housing for US Military personnel stationed in the area. Project was delivered on schedule and in budget.
- **1 Observatory Circle - Washington DC - Naval Facilities Engineering Command** \$30M Multifaceted Civil, Utility and infrastructure upgrades in direct support of the Vice President of the United States. The project was delivered on schedule and under budget.
